Hello,

I added corresponding redmine ticket #1667. Your description of the problem is not too big. Can you describe in what status is your ide - opened main package, compiling package etc. Moreover it would be nice to have some information about your computer setup - distribution, 32-bit vs 64-bit etc.

And finally, maybe you have got some clues that allow us to faster solve the problem. The code ones is the preferred way ;)

Sincerely and thanks for reporting ;),
