Hi Klugier

I made sure CtrlCore was listed

the dir has

The package directory for your installation:

C:\\upp-mingw-11101\\upp/uppsrc/Core

C:\\upp-mingw-11101\\upp/uppsrc/CtrlCore

C:\\upp-mingw-11101\\upp/uppsrc/CtrlLib

I could not get the full dir in the screenshot

upp110200, 11040,11066,11080 seems to have them also.

Thanks for the help.

Neil
