---

Bugs in win32clip.cpp

```
void AppendFiles(VectorMap<String, ClipData>& clip, const Vector<String>& files)
{
    WString wfiles;
    for(int i = 0; i < files.GetCount(); i++)
        wfiles << files[i].ToWString() << wchar('\0'); //Fix
//Bugs wfiles << files[i].ToWString() << "\0";
.....
```
