Hello Luigi,

I've compiled exactly the same CEF version as you have and it works. Please make sure that you compile test application in release mode and use files from "release" directories.

List of files:

I made an archive with all needed files and chromiumbrowserexample https://drive.google.com/file/d/1WLK93hAkWMLy4N7JAHqsmeE5avS uHgZ0/view?usp=sharing
