Thank you!

Could you please fix this:

uppsrc/Painter/BufferPainter.h:325:82: warning: control reaches end of non-void function
[-Wreturn-type]

```
    BufferPainter&    NoImageCache(bool b = true)    { ImageCache(false); }  
                                                         ^
```
