Hi Honza,

thanks for the reply. I found something about event here

[https://docs.microsoft.com/en-us/previous-versions/windows/desktop/ee125084\(v%3dvs.85\)](https://docs.microsoft.com/en-us/previous-versions/windows/desktop/ee125084(v%3dvs.85))

but it's a mess that comes with no full working example to make it worse.  
I'll continue to look for some good example online.

Luigi
