mirek wrote on Thu, 17 January 2019 12:46Another try...

```
HDC Win32_IC()
{
  thread_local HDC hdc = CreateIC("DISPLAY", NULL, NULL, NULL);
  return hdc;
/* static HDC hdc;
ONCELOCK {
  hdc = CreateIC("DISPLAY", NULL, NULL, NULL);
}
return hdc;*/
}
```

This fixes the issue. Not a single missing or false letter visible (to my eye).

May I get excited already, or is this just an intermediate step towards the goal? :)

BR, Tom
