This is a patch!  
For more look at previous posts!

Some fixes/addedCode:

- \* regression: that gray button as macro now works
- \* project dialog polished a little: can sort files with Ctrl-Up/Down
- \* project dialog polished a little: can reOpen files in manually sorted order
- \* project: current edit file can now be added. Or with Shift:allOpenedFiles or with Alt:gfxFile

Yet to do:  
-undo in gfx
