This is a patch!

For more look at previous posts!

Some fixes/addedCode:

- * regression: that gray button as macro now works
- * project dialog polished a little: can sort files with Ctrl-Up/Down
- * project dialog polished a little: can reOpen files in manually sorted order
- * project: current edit file can now be added. Or with Shift:allOpenedFiles or with Alt:gfxFile

Yet to do:

-undo in gfx
