This is a patch!
For more look at previous posts!

Some fixes/addedCode:
* regression: that gray button as macro now works
* project dialog polished a little: can sort files with Ctrl-Up/Down
* project dialog polished a little: can reOpen files in manually sorted order
* project: current edit file can now be added. Or with Shift:allOpenedFiles or with Alt:gfxFile

Yet to do:
-undo in gfx
