Xemuth wrote on Thu, 11 July 2019 16:13Hello Novo, Thanks for the precision about valgrind.
Sadly I dont have linux atm. have you a windows alternative :d ?
Yet another tool:
https://clang.llvm.org/docs/AddressSanitizer.html
https://en.wikipedia.org/wiki/AddressSanitizer

Theoretically, it should work with mingw. It definitely works on Linux :roll:
