Subject: Re: [BUG] Context Menu does not work properly
Posted by mirek on Fri, 13 Sep 2019 15:39:38 GMT

Fix commited. Thanks for spotting this.

(It is sort of fix of fix. PostCallback is there to avoid wrong handling of accelerator keys - top level menu item was stuck highlighted during callback. I have now changed the code to call cb directly for context menu and only use PostCallback otherwise).
