Dear Xemuth,

Thank you very much for the detailed answer...but unfortunetly i can't compile with MinGw...
because in Macosx there's Clang++ and gdb compiler but, you open my eyes to see the steps to
follow,
to load the library..i'll take a look again to learn how to use them..

Thanks a lot again...i appriciate a lot your help...

Best regards,

Lestroso :d
