Sender Ghost wrote on Fri, 10 January 2020 13:33Hello.

I briefly tested examples/AddressBook application (based on 13848 svn revision) for GTK 3.22.30 on FreeBSD 10.4 and Fluxbox 1.3.7 window manager. Default Adwaita theme.

I believe that with possible exception of scrollbars width, these should be now fixed.

Mirek
