Subject: Adding Version Information & Icons to app's txt file Posted by nikeshsharma221 on Tue, 18 Feb 2020 13:42:33 GMT View Forum Message <> Reply to Message

Hi, this does not immediately work for me. Are there other steps I need to make for the IDE to process the .rc file?

Edit: I am not getting any error messages, the icon just simply does not show up on the exe. I am on Windows 7.
