Thanks!

Could you be more specific about those scrollbars?

>track title is truncated to 30 characters in a couple of places

hmm, maybe fmod have problems with proper tags extracting.

Could you send me the file which title is truncated (at [unodgs@tlen.pl](mailto:unodgs@tlen.pl), email size is limited to 10MB..). Thanks in advance.

>and To-tray didn't work.

good there is no callback under the 'To tray' I will implement this later.
