Undefined symbols for architecture x86_64:
  "Upp::CocoBeep()", referenced from:
     Upp::BeepInformation() in Core$blitz.o
     Upp::BeepExclamation() in Core$blitz.o
     Upp::BeepError() in Core$blitz.o
     Upp::BeepQuestion() in Core$blitz.o
ld: symbol(s) not found for architecture x86_64

Tested against reference/Value

Thanks, should be now fixed.
