Tom1 wrote on Wed, 25 March 2020 13:34 What is really interesting is that MSBT17 and MSBT17x64 both work correctly!

It is just this brand new MSBT19 and MSBT19x64 that fails...

(I need to emphasize that I just installed a fresh MSBT19 a couple of days ago on this computer. Could all this be linked with the MSC compiler issue you discovered recently on MSBT19?)

Best regards,

Tom

Quite likely Does it do that warning?
