Lance wrote on Sun, 29 March 2020 03:14I have exact the same experience as koldo. No automatic build method generation happened on Ubuntu 18.04 as of the most recent nightly build. I mannully created a gcc.bm using the content posted by deep and it fixed my problem.

That is as designed. They get created the first time theide runs.

Of course, install should not try to copy them, that is a mistake.
