Subject: Re: How to link libeay32, libssl32 and ssleay32 statically in Windows?
Posted by Tom1 on Mon, 20 Apr 2020 15:42:59 GMT

Hi,

The 'missing libraries' linking error with CLANG is gone when using the following:

When: WIN32 (MSC | CLANG)
Library: libeay32MT.lib ssleay32MT.lib

So, only the problem of having static linking instead of dynamic is remaining.

Best regards,

Tom
