mirek wrote on Tue, 02 June 2020 04:31 Novo wrote on Mon, 01 June 2020 23:27 I'm afraid it is wine to blame in my case.

Clang-10 spends ~75% of its time calling one function in ntdll.dll.so

BTW, which function is that? Maybe there could be done something about it...

Mirek

I cannot tell that. There is no debug information in wine.

What I can see is just an address.
