You can now find Ultimate++ on download.com main page, in "New Releases" section.  
A direct link is here: [http://www.download.com/Ultimate-IDE/3000-2212\\_4-10580513.ht ml](http://www.download.com/Ultimate-IDE/3000-2212_4-10580513.ht ml)

User ratings are very important there. Rate it pls.
