Ok, ever onward :)

I've created an sql file (attached) to generate a new database file.

Using this new db, and with dates from 1970 forward (epoch dates I believe), 5 digit ints.

Have dateconvert "borrowed" from sqlapp example "borrow.cpp". Dates show up perfectly in both tables and editdate controls.

Problem is, when I go to edit, I get assertion failure :(I delete contents and start with a number and ...
