I am considering a rename for Terminal. (Package name won't change. Only the actual widget)

Should we rename it to TerminalCtrl with v0.4 (2020.2)?

If so, should we add Terminal as an alias (for backward compat.)?

What do you think?

Best regards,
Oblivion

Should Terminal be renamed as TerminalCtrl(total votes:
5)

Yes 5/(100%)

No 0/(0%)
