
Subject: Updated UPT - Ultimate++ Package Template Documentation available
Posted by [Werner](#) on Wed, 27 Sep 2006 19:55:21 GMT

[View Forum Message](#) <> [Reply to Message](#)

Due to changes in the package-related variables (refer to the thread "Enhancing project templates (upt files)") I have updated the UPT (Ultimate++ Package Template) documentation. Please see the attachment.

Please note that the new features "PACKAGE_TOUPPER" and "PACKAGE_TOUPPER_CAPS" will not be available before the next development release.

Werner
