Subject: Re: PtyProcess, a pseudo-terminal process class for U++
Posted by Oblivion on Fri, 09 Oct 2020 08:34:23 GMT

Hello,

The standalone version of PtyProcess class is now updated and synced with the
Terminal/PtyProcess.

Changes/improvements:

- Supports both POSIX pty and Windows 10 pseudoconsole APIs.
- Fixed I/O synchronization issues.
- Docs are updated.

If you have any questions, suggestions, bug reports, let me know.

Best regards,
Oblivion
