Werner wrote on Wed, 27 September 2006 15:55: Due to changes in the package-related variables (refer to the thread "Enhancing project templates (upt files)") I have updated the UPT (Ultimate++ Package Template) documentation. Please see the attachment.

Please note that the new features "PACKAGE_TOUPPER" and "PACKAGE_TOUPPER_CAPS" will not be available before the next development release.

Werner

Thanks, uppsrc file updated...
