Klugier wrote on Tue, 20 October 2020 23:01Hello Mirek,

Will it fix some problems we have with the older version? If yes it is probably worth doing, however the regression may be visible.

What if we made release and at the beginning of the new year we will do next with updated tool-chain? We will have time to test it more properly.

Klugier

Sure. Probably will ignore it for now.

Mirek
