Klugier wrote on Mon, 23 November 2020 23:06Hello Mirek,

Good news! Migrating to newer standards with easier stbtax are always valuable addition:

If you do not want to type FindFile you could replace with auto:

```
for(const auto& ff : FindFile("d:/xxx/*.*)" )  
    DDUMP(ff.GetPath());
```

Klugier

Sure. But I want to :)

Mirek
