Hi,

I am sorry, I am answering that late, but I was on vacation .

We had that problem before, you simply need to add library pthread for FreeBSD in the Core package (I assume you are compiling inside TheIDE).

You can have a look at this thread:

http://www.arilect.com/upp/forum/index.php?t=msg&goto=3792&#msg_3792.

I somehow missed to commit it, sorry .
