Hi,

Your patch worked and the GridCtrlTest in the reference assembly is OK.

But I still have a problem with GridCtrl (see attached archive). When I select one row (e.g. 9), holding the CTRL and select another row (e.g. 15) I got the same error as from the first post. What am I doing wrong?

ASSERT FAILED: Assertion failed in uppsrc/Core/Vcont.h, line 182
i >= 0 && i < items

BR, Radek
