I join to all congratulations, am thankfull to the whole team for their appearance on my coding road & wish to upp-community health, luck, success, happiness in NY... & new inspirations... & new dreams & their implementations... & of course, new magics in interesting orders from customers, because upp itself is already a magician for developers!... My Thanks to everybody in team for your remarkable job & hope meet all of you in this forum next year Wish the Success to the whole project & to everybody personally !
