./umk reference WebWord CLANG -bus

In file included from /home/buildbot/worker/l-upp/build/reference/WebWord/main.cpp:1:

/home/buildbot/worker/l-upp/build/reference/WebWord/WebWord.h:5:10: fatal error:

'Turtle/Turtle.h' file not found

```
#include <Turtle/Turtle.h>
```

```
      ^~~~~~
```

1 error generated.

Speaking of which: It would be great if your automated building infrastructure started scanning UppHub. Do you think it would be possible?
