Subject: Re: New UppHub root Posted by Oblivion on Sat, 30 Jan 2021 21:44:57 GMT View Forum Message <> Reply to Message

Hello Mirek and Klugier,

I believe Klugier has a point here. Packages can stay anywhere,after all that is one of the purpose of UppHub, but UppHub root list better be kept under the github/ultimatepp organization. It will be easier to find and curate it.

Also I can help maintaining the list.

Best regards, Oblivion
