Subject: Job Vacancy Vienna/Austria Posted by WebChaot on Wed, 06 Oct 2021 07:00:43 GMT View Forum Message <> Reply to Message

Hi Folks!

The U++ Community is not that large than others. So maybe nobody interested is located in or near Vienna/Austria - but if, we are looking for you ;)

What would you expect:

- small team
- good conditions
- very interesting projects
- home office

If you are interested or need more information, please write me a PN.

WebChaot (Norbert)
