Hi, i am using MessageCtrl from hub as follow:

```
-----  
String msg = "File [" << path << "] loaded!!!";  
DUMP(msg);  
  
msgx1.Animation(CFG_MSGCTRL_ANIM).Bottom().Information(*this ->GetTopCtrl(), msg,  
Null, 5/*CFG_MSGCTRL_TIME*/);  
-----
```

And i get -> "ERROR: Unexpected end of text."

i get the issue resolved when replacing "[" with "("

Would you please give some suggestion to this :(

Ernesto

```
qtf.SetQTF(String("[G1 ") + msg);
```
