Subject: Calendar & Clock titles unreadable (white numbers on light gray)
Posted by awksed on Sat, 02 Jul 2022 11:06:26 GMT

Hi,

The Calendar & Clock "title bars" are unreadable (white numbers on a light gray background). It is so on the nightly build.

See attached .png.

Is there a way to change the Calendar and Clock "title bar" background and font colour?

Thanks.
