Should anyone be interested. Here is how I fixed the clock.

```
Clock& Clock::SetStyle(const Style& s)
{
    style = &s;
    //nbg = CtrlImg::Bg();
    nbg = Colorize(CtrlImg::Bg(), s.header, 150); // Fom the old class
    Refresh();
    return *this;
}
```
