zsolt wrote on Tue, 13 December 2022 17:39: An other bug:

Assist goes mad on .icpp files. Try opening Painter/PainterInit.icpp

It is just trying to parse it without success endlessly:

```
C:\Download\Upp\upp\uppsrc\Painter\PainterInit.icpp parsed in 15 ms
```

```
C:\Download\Upp\upp\uppsrc\Painter\PainterInit.icpp parser output processed in 0 ms
```

```
Failed commandline: C:\Download\Upp\upp\uppsrc\Painter\PainterInit.icpp -DflagDEBUG
```

```
-DflagDEBUG_FULL -DflagMAIN -DflagCLANG -std=c++14 -xc++ -Wno-logical-op-parentheses
```

```
C:\Download\Upp\upp\uppsrc\Painter\PainterInit.icpp parsed in 0 ms
```

```
C:\Download\Upp\upp\uppsrc\Painter\PainterInit.icpp parser output processed in 0 ms
```

```
Failed commandline: C:\Download\Upp\upp\uppsrc\Painter\PainterInit.icpp -DflagDEBUG
```

```
-DflagDEBUG_FULL -DflagMAIN -DflagCLANG -std=c++14 -xc++ -Wno-logical-op-parentheses
```

.icpp assist should be now fixed.
