Just wanted to know U++ users preferences.

```
What compiler are you using with Ultimate++?(total
votes: 27)
```

I'm using the mingw that came already with U++ 9/(33%)
I'm using another mingw 0/(0%)
I'm using VC++ 2005 (post the version: Express, Professional..) 7/(26%)
I'm using VC++ 2003 (post the version: free toolkit, professional,...) 5/(19%)
I'm using another compiler (post what) 6/(22%)
