Subject: Re: DarkTheme function parameters changed
Posted by Tom1 on Thu, 12 Sep 2024 14:32:18 GMT

Hi Mirek,

I've been surfing the web today about dark theme and UI coloring. Didn't find any usable algorithms for 'color inversion'.

Anyway, I found some interesting reading about dark theme and color usage here:

https://m2.material.io/design/color/dark-theme.html

Best regards,

Tom
