you are welcome,

another "bug" when compiling with 610-dev4:

since 610-dev3 the function "IsXpStyle()" is gone, so the following line in DateTimeCtrl.icpp should be changed:

```
void Calendar::PopUp(Ctrl *owner, Rect &rt) {  
    Close();  
    Reset();  
  
    SetRect(rt);  
    //Ctrl::PopUp(owner,true,true,IsXpStyle()); I am old!  
    Ctrl::PopUp(owner);  
    open=true;  
}
```

Bas
