Subject: Re: My Simple U++ Application
Posted by masu on Sun, 12 Nov 2006 18:47:36 GMT

Hi Yeoh,

I had tested your application under FreeBSD (it was winXP before) and I got an error, but I don't know what the reason is.

/home/masu/projects/upp/MyUppApp/MyUppApp.iml:4: error: expected unqualified-id before numeric constant

So I commented the affected line and it seems that it is not needed at all.

Matthias
