Hi Mirek,

I tried the following in my code:

```
PrintJob pd("test");  
Draw& w = pd.GetDraw();  
w.StartPage();  
w.DrawDrawing(500, 500, sz.cx, sz.cy, r.GetPage(0));  
w.EndPage();
```

but it does not print anything. Am I missing anything?
btw, r = Report;

Thanks,

Laurice
