luzr wrote on Mon, 13 November 2006 02:59OK, ok. Perhaps I made a mistake.... (not for the first time).

In this very case, I am afraid we will have to live with it

Too many existing apps to fix ? Anyway, like Zaurus said it is not a big problem. Perhaps if it could be possible to add splitter in layout editor (in visible way) it would be easier for newcomers. But I suppose it is not so easy to implement that..
