Subject: Time "scalar" (number of seconds) changed to int64 Posted by mirek on Sun, 19 Nov 2006 14:40:42 GMT

View Forum Message <> Reply to Message

This is the type used for number of seconds between two Time values (e.g. operator- or operator+). Was "double" before.

Also, there are now Set and Get methods in Time to convert to/from scalar Time.
