Ulti wrote on Wed, 29 November 2006 09:37does your gridctrl support copy-paste a set of cells now?

It supports "normal" and rectangular selections, however I have not implemented copy-paste for it (I always wanted, but bacause my apps didn't needed that feature I moved it in time again and again..). It will be there before gridctrl hits 1.0. I'm working on grid hard now so it should be in upcoming dev (maybe in the next).
