Quote:Capitalisation of plotFunction and some of other methods seems inconsistent with both rest of class and U++...

Necessary, but I don't read too well your hint. Could you give me a piece of advice?

If there is no special reason, I would use "PlotFunction"

Quote:Print preview is off, most likely wrongly placed (see the right edge)

Only on screen; on paper (or PDF) is OK.

Yes, but should be OK even on the screen.

Mirek
