ebojd wrote on Thu, 01 February 2007 12:08May I assume that the beta version has been checked into SVN <<https://upp.svn.sourceforge.net/svnroot/upp>>? I just tried to update the repository and it appeared that it was already up to date, and did not patch the system at all. I feel like I'm missing something...

Very likely not. Daniel yet has to commit to sf.net SVN.

Mirek
