luzr wrote on Wed, 14 March 2007 09:27Ebojd, I think upp-portage should be placed with releases, not in special category.

If I understand your statement, that was a mistake. I changed the upp-portage package release to be 2007.1rc3. Is this what you were referring to, or do I need to rename the package?

Thanks for catching the upp-portage release thing. It should be changed now.
